WWW.CANADIANJERKYCO.COM

Our state-of-the-art facility in South Surrey has all newly purchased equipment from the US, Canada and Germany. We focus on providing the best products on the market and have very strict quality control regulations. Your pet's health and safety is our number one concern.

We wanted a character that could grow with the product lines and that became our inspiration for Buddy Jack. His treats are going to be sold in the pet specialty channels where we thought his story would best be told. He is very relevant to millennials and urban areas residents. Hopefully like us you look forward to his continued growth.
